President's Message

Well, as I write my last newsletter as your President, I want to thank all of you for your support and dedication.

I am reminded of an aviator, POW, & motivational speaker named Charlie Plumb. When he became a motivational speaker, he used to tell the story of a young man who, as he stated, worked in the dungeon of the ship packing his parachute. One day he saw this young man in a restaurant and Mr. Plumb questioned, "do I know you?" The young man stated he was the one that packed his parachute every flight. Mr. Plumb thanked him and they went on their way. Mr. Plumb realized without this young man, he would not be here.

So, I say to all of you, without you packing my parachute for the last two

President Cathy

years, we would not have succeeded. I appreciate all of you standing beside me and my board in the days of adversity and illness. All of you are amazing and I appreciate the hard work done by all.

I ask that all of you give the same enthusiasm to Ms. Trish and her New Board, as I know you will.

Remember to continue not only to pack the parachutes of our young girls and women, but to remember those who packed yours.

"We are One"
Love Y'all

Sincerely,
Cathy
